What type of tenancy do we provide?

At PegasusLife, we provide our rental customers with an assured tenancy.

An assured tenancy means you can rent for as long as you want, whether that's 12 months (our minimum period) or 12 years. As an assured tenant with PegasusLife you will have strong tenancy rights meaning you can remain in the property unless, in the unlikely occasion, you breach your tenancy agreement, providing you with a flexible, but secure route to retirement living.

Strutt & Parker's recent Platinum Generation report for Octopus Healthcare surveyed 1,000 people aged 65+ about their future plans: 17% of respondents would consider living in a professionally managed retirement rental development, and 41% would like a 6-month trial before moving permanently into retirement housing.

Why not consider Rent to Buy?

With Rent to Buy, you have the option to move in and experience all the benefits a PegasusLife development and lifestyle has to offer with the option to buy the property later.

If you choose to buy your apartment within the initial six months of your tenancy agreement, we will refund your rental fees, minus the service charge, paid during this time.**

Please ask our Sales Manager for further details.

*** You must complete your purchase prior to the end of your initial 6 month period to receive this promotion. You are able to purchase the property at any time and should you wish to do so please contact a member of the sales team to discuss this option further. If you do not wish to purchase the property after the initial 6 months, the minimum 12 month term applies.*
